## **Required Municipal Planning Opinion**

The Rules for both FIT and microFIT applications require that the Township's Registered Professional Planner provide a written opinion to the Program Applicant that the site and abutting properties meet the land use Rules.

In order to review these applications and their conformity to the Rules, the Township will require the following information from the Applicant.

1. Any request for a planning opinion must be submitted at least three weeks prior to the submission of the application to the OPA for a FIT or microFIT contract.
2. The Applicant must provide the following prescribed information:
  - Legal name of the applicant
  - Municipal Address of the site
  - Legal description of the site
  - Property Identification Number (PIN)
  - Map or aerial photo identifying the boundaries of the entire property and abutting properties and the location of the proposed project within the property.
3. The Application fee of \$ 150.00 payable to the Township of Strong. The original Prescribed Zoning Opinion form will be considered and returned to the Applicant by the Township.
4. There are provisions in the FIT Rules that award point by certain "Non-Project Type" (Municipal Council Support). The Rules require that the Township Council pass a resolution supporting the construction and operation of the project of a specific property "without reservation". Council's support enable the Applicant to receive 2 Priority Points under the FIT program. Therefore Council shall require a payment to the Township in the amount of \$ 500.00 per application per site for Municipal Council Support Resolution.
