Each year, Clothesline reaches out to millions of Canadians collecting gently used clothing, small household items and electronics.

Free household pick-ups and more than 2,100 donation bins nationwide.

Clothesline is green! Each year:

- More than 48 million kilograms of clothing, household and electronic items are diverted from Canadian landfill. This is equivalent to saving 8.6 million trees each year or driving a compact car around the globe 43,000 times.
- Saves 876 million kWh of energy.
- Reduces our donors' carbon footprint by 120 million kilograms of CO₂ emissions.

Thank you for your generous donation
