Comments:

- The staff at Strong landfill do an excellent job, but they have their backs to the wall with a number of landfill users.
- Why am I harassed when looking for scrap parts?
- As a rural resident, I appreciate this landfill site – especially the hours of operation and hazardous waste days. Also, employees are courteous and helpful.
- You're doing a necessary job, and a well done job.
- Strong has a great facility. Friendly staff. Please go mandatory recycling. Save our landfill while providing the township with more money. Every bit helps; it's worth the fight. Thanks for your work, Robert.
- The recycling system at the landfill takes too long. How much would taxes go up in order to have curbside pickup?

- Better signage required
- Create a larger sign to show where to recycle
- More bears, fewer seagulls
- Why aren't we recycling glass?
- Do not go mandatory unless you make the recycling more user friendly.
- Recycling takes too long.
- More Haz-Mat days
- Do not go mandatory
- I will dump in the bush if Strong forces us to recycle!
- Why are we no longer recycling Styrofoam?
- Keep it voluntary and avoid the mess
- I always see people dump recycling in the garbage.

- Very well run disposal site
- Friendly/helpful staff
- I'd like to learn more about composting, would Strong offer a composting course?
- Recycling is worthwhile!
- Great site, well managed.
- Friendly, helpful student
- Love this facility. Staff do a good job.
- Clean dump/doesn't smell
- Go Mandatory!
- Good facility, needs more bears
- Thanks young man.
- Yay! Electronic recycling at last!
- You should be commended Robert. It's refreshing to see young people taking an interest in recycling and in our community.
- Great place
- Well looked after dump
- Staff do a great job
- Well organized landfill site

- Mike keeps a tight ship
- Good dump
- Excellent job by employees
