Important Update for Strong Township Residents

Special Weather Statement Alert!

4:04 AM EDT Thursday, March 27, 2025

A Special Weather Statement is in effect for South River - Burk's Falls. A potent spring ice storm is likely, with significant ice accretion from freezing rain expected. This could lead to extended utility outages, slippery surfaces, and broken tree branches.

When: Late Friday into Monday

What to Expect: Ice accretion of 5 to 15 mm, possibly exceeding 20 mm. Snow and ice pellet accumulations of 5 to 15 cm.

Stay Informed: Continue to monitor alerts and forecasts from Environment Canada:

<https://weather.gc.ca/en/location/index.html?coords=45.772,-79.394>

Things you can do:

- ❖ Ensure your 72 Hour Emergency Kit is fully stocked
- ❖ Do not travel on foot or by car if the roads and sidewalks are icy
- ❖ For more planning information visit our Emergency Planning Webpage at <https://www.strongtownship.com/living-here/emergency-preparedness/>

Stay safe, be prepared!
